

January 28, 2019 Prayer Points

Our prayer scripture for our neighbors this week focuses on God's safety for them. As Moses prayed over the Israelites after their exodus from Egypt (Numbers 6:24), let's ask God:

- To give His angels charge over them, that no harm or hurt will come to them (Psalm 91:10-11)
- To help them not be fearful of the future (2 Timothy 1:7)
- To continue to open their hearts to the Truth of Christ as Savior, the *Hope* of glory (Colossians 1:27)

May God continue to bless you as you bless your neighbors.
